Dear Commissioner of Patents:

Pursuant to Sections 609 and 707.05(b) of the MPEP and 37 CFR 1.97 - 1.99, the attached form PTO-892 lists the documents which were cited in an Office Action dated October 7, 2007 on a related United States Application 11/108,909, and may be pertinent to the invention as claimed in the above identified application.

This Information Disclosure Statement is being filed prior to the first Office Action and therefore, no fee is believed to be due. In the event that a fee is due, please charge our Deposit Account 50-1644 to cover these fees.

The citation of these documents should not be constructed as a representation that a thorough search has been made, or that other, more pertinent material is not available.

Respectfully submitted,
